

### Description

Semi-transparent mounting paper with good dimensional stability and high resistance to moisture, for the transfer of die-cut or computer-cut letters and symbols.

### Adhesive

Natural rubber, medium adhesive strength.

### Area of use

The special composition of the adhesive enables problem-free transfer of die-cut or computer-cut letters and symbols using both dry and wet bonding techniques. Due to its high dimensional stability, it is especially suitable for the transfer of large letters and symbols with precise positioning. This mounting paper is suitable for almost all well-known types of glossy or matt-finished films.
